

**IEQAS accredited University**  
(International Education Quality Assurance System)

# Follow your dream to Silla!

2016 Application Handbook

**SILLA UNIVERSITY**

# Why Silla University

Silla University was accredited “IEQAS” (International Education Quality Assurance System) by the Ministry of Education.

## A prestigious university of history and tradition

Founded in the southern city of Busan in 1954, Silla University takes pride in its long history and tradition. Being located in the second largest city in South Korea, and nearby to Korea’s largest harbor, the ambiance of trade and globalization are strongly felt. Starting from just a small College of Education, Silla University has grown into a four-year university with nearly 11,000 students, and offers about 7 colleges, 4 graduate schools and about 60 majors.

## The best campus and education environment

Our 1,800,000m<sup>2</sup> campus lies subtly in the mountains with a great view of the sea, and always with a breeze of fresh air, provides a great study environment. Silla University’s campus has been ranked within the top ten most beautiful campuses in all of Korea by Korean College Newspaper, and was picked by Joong-ang Newspaper to have the number 1 'lecture room information system'. With outstanding professors from all over the country, our university was judged by the Korean University Education Conference to have 'excellent publication results' in various fields and has proved to offer international competitiveness. Our students have outstanding access to their professors for counsel and have full access to career guidance advisors, academic advising, grievance support counseling and various other campus life activities.

## Nationally competitive Korean Language program

In 2012, Silla University Korean Language Center was selected by the Korean Ministry of Education to be one of 12 language schools nation-wide to host Korean Government Scholarship Program scholars. We are proud to be the school to be selected to host these scholars, Plus many other language students from varying countries all around the world.

## Leading University in Internationalization

With strong recognition not only from within Korea, Silla University has also received substantial attention from abroad as well. Silla University has worked to build strong relations with universities across the globe and now has international exchange programs with 110 foreign universities in 25 countries. In addition to these exchange programs, we have about 600 foreign students from 47 countries. As we continue to strive to make our campus welcoming to a wide variety of students, we have found great benefit in opening our campus to such a variety of students, Which is now rich with varying cultures and languages. As a result, our university ranked 26th in an internationalization evaluation of Asian universities by QS and Chosun Newspapers.

## Scholarship and funding for foreign students

Our goal at Silla University has always been to attract the best and brightest students. so, we offer varying incentives to our foreign students well in their respective fields of study. Accordingly, we have a scholarship system to reward the top performing students with 50~ 100% reduction on tuition, as well as offering scholarship based on student’s TOPIK score, leadership scholarship, life-support scholarship, and also varying scholarships from the state and outside private organizations.

## Top in Overseas Employment

In line with our goal to promote and support globalization and overseas employment, Silla University, in coordination with Busan City and the Korean government, has established business job-training and overseas internships to give our students the necessary tools to compete in today’s international job market. With great success to these ends, we are proud that our alumni have almost the highest rate of overseas employment in the nation. To continue striving towards the 1# spot for overseas employment, we continue to provide crucial areas of study pertaining to current needs for business, trade, technology and government. In addition to supporting these vital majors, we also support our students by providing target job-training, special lecture, job fairs and employment counseling services. Having grown from its humble roots, Silla University now plays a leading role in globalization and overseas employment. we will continue to aim for further growth and hope to enable all students to achieve any goal they see for themselves in job markets here in Korea and abroad. Our dream is to help you fulfill yours!
